

6.4.1 Institution conducts internal and external financial audits regularly. Enumerate the various internal and external financial audits carried out during the last five years with the mechanism for settling audit objections within a maximum of 500 words.

The institute has the budgetary control system to monitor the effective and efficient use of financial resources. A Financial committee headed by the principal and representatives of the management, teaching staff and administrative staff will be sought budgetary requirements from various departments and cells.

The institute regularly follows internal and external financial audit system. The institutional accounts are audited regularly by both internal and statutory audits. Qualified internal auditors have been permanently appointed and a team of staff under them verify all vouchers of the transactions that are carried out in each financial year.

The internal auditor shall evaluate and confirm the effectiveness of the internal system of accounting of the receipts. The internal auditor should verify that the fees are collected from all the students and if there is any concession, the same is granted by a person who is so authorized. The internal auditor should also ensure that the fees received in advance and fees receivable are properly accounted and irrecoverable fees are written-off under the authorization of the appropriate person. So far there has been no major objection in financial auditing.

The auditor verifies the income and expenditure details of the college as per the balance sheet and provisions stipulated by law. The external auditing is done by a Chartered Accountant, specially designated for this purpose. External audit is also carried out in an elaborate way on a quarterly basis. All the audited statements for the past years are uploaded in college website to maintain transparency in financial matters.
