# Innovation Ecosystem

Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.
Awareness meets, workshops, seminars and guest lectures on Entrepreneurship are organized. Students are provided opportunities to directly interact with outstanding entrepreneurs excelling in their field.

The sole objective of the Incubation Centre is to facilitate students to convert their Ideas into Technological Innovations. Students are provided facilities to build prototypes useful for promotion of Agriculture and Rural Development. Financial Assistance is provided for major and minor Research Projects. Workshops on emerging trends in Technology are held. Students are encouraged to gain hands on experience and better Industrial Exposure.

Institution Innovation Council (IIC) organized various activities which gives real time exposure to the students and provide them a platform to showcase and implement their practical learning. It supports to prepare institute for NIRF Ranking and Atal Ranking of Institutions on Innovation Achievements Framework and also establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas. Through this cell Startup were initiated by the students for the latest innovations. The Smart India Hackathon is organized and cash prize will be provided by MHRD.

College conducts coding contest and HACKTHONs through CII . College is having e-yantra Lab (initiated and supported by IIT Bombay). Through this activities students will be exposed to national and international environments and get inspiration about innovations.

Financial support is extended to the students for exhibiting their models at the Idea Generation Contests, Competitions held by other organizations. Students are provided with an opportunity to acquire skills for commercialization of their product. The Local Entrepreneurs are invited to address the students and inspire them.
